ON-LINE FUNDRAISING LIKE MAJOR NOT-FOR-PROFIT ORGANIZATIONS

Players, Teams, Clubs and Associations can now raise funds just like larger organizations with e7SpeedFund. This easy to use, on-line system makes fundraising simple and effective.

Facility improvements, tournament fees, uniform fees, trip expenses... e7SpeedFund helps raise valuable dollars often needed by non-profit organizations.

Club administrator sets up and manages the overall program... whether a kick-a-thon, juggle-a-thon or anything else you create, e7SpeedFund provides the tools to organize, administer and monitor your unique event.

System has robust communication abilities. Administrator can send emails to entire organization, to teams or to individual players.

Raising money is easy for players and their families. Five easy steps and you are on your way!

- Players create a profile page and set a fundraising goal
- Players then send out an email and a link to family and friends
- Families & friends click on link for details and to donate via credit card
- Players log into their own personal accounts to track donations
- Players send thank you email to all donors

All donations are tracked with a unique transaction number and deposited directly into the organization's online merchant account. e7sports NEVER takes possession of your money.

It is that easy. And each club that signs up for SpeedFund will have access to our e7sports personal fundraising consultant to help them make the most of this new and exciting program. Please call Tonya at 949-502-0088 x215 or email tonya@e7sports.com for more information.
